

To our Rutgers Law Community,

The Environmental Law Society is deeply saddened by the upsetting events that have taken place recently and the lives that were lost too soon. We stand in solidarity with all people of color, BLSA, and other student organizations at Rutgers Law in condemning police brutality and institutional racism which have led to senseless murders of George Floyd, Ahmaud Arbery, Breonna Taylor, and so many others.

June 3rd is Global Running Day. In memory of Ahmaud, we ask those who are able to please join us in honoring and remembering his life by running 2.23 miles.

If you wish to donate to #RelayForAhmaud, please go to www.sierraclub.org/relay. All proceeds will be allocated to support organizations in Georgia fighting racial injustice.
