

## RUTGERS LAW SCHOOL – SPRING 2022 EXAMINATION SCHEDULE

Exams Begin Friday, April 29, 2022 10:00 a.m.

Exams End Saturday, May 14, 2022, 3:00 p.m.

**Advisory Notice:** Rutgers Law School publishes in advance a final examination schedule which generally is not subject to change **after the advance registration period is completed.** Courses are scheduled at the law school to minimize conflicting examinations (i.e., exams which occur simultaneously); however, it is ultimately the student's responsibility to ensure that exams do not conflict. Under Rule 15 of the law school's Academic rules, a student may seek prior permission from Associate Dean Thompson to defer one exam to the next available day where there is an exam conflict. An exam conflict exists when a student has two exams on the same day or three exams within a span of three days or less. In order to obtain a deferment, students must alert Associate Dean Thompson of the exam conflict by the end of the add/drop period. **Exam deferments will be provided sparingly and only in exigent circumstances.**

First-year examinations are scheduled to equalize the intervals between tests and, when possible, to provide a break between upper class examinations. Students are urged not to construct a course load that produces unduly burdensome examination requirements.

For in-class exams, students should report to classrooms at least 15 minutes prior to the start time.

**Note: Please check the Exam Administration Methods when the exam packet is posted prior to the exam period. In the event of a discrepancy between the Exam Administration Methods and this exam schedule, please follow the Exam Administration Methods. Changes typically happen when faculty opt to be more lenient about self-scheduling than is initially set forth in this schedule.**
