^Special Notes:

First year students are not eligible to enroll in the Winter session.

Applied Legal Analysis – Asynchronous; one synchronous class on Tuesday, Jan. 3rd. This class is offered for 2 non-course credits. Pass/Fail.

E-Interviewing & Counseling – Students who complete this course may not enroll in Interviewing, Counseling and Negotiation. Interviewing & Counseling will be half synchronous, half asynchronous (asynchronous hours include approximately 5 hours of simulations and debriefs with professor and other members of the class, so some scheduling flexibility is necessary). Plan to work on final writing assignments after the conclusion of the course. Fairly reliable internet connection and the ability to participate with your camera on is necessary.
