Next Steps

As a law student, you must be mindful of the potential for conflicts. If you are working in any capacity for a law enforcement agency, a defender agency, or a Court, then before moving forward, you should seek permission from your supervisor to participate in this Project.

After you have viewed the training video in its entirety, please contact Peggy Borghoff at the AG's Office, at BorghoffM@njdcj.org, to let her know you are interested in participating.

You will receive by return email a confidentially agreement to electronically sign and return.

You will then receive an electronic file containing at least an application and, in some cases, any supporting documents they applicant may have sent.

If you have questions, please do not hesitate to contact Dean Friedman.
