RUTGERS LAW SCHOOL – Summer 2019 Exam Schedule

Advisory Notice: Rutgers Law School publishes in advance a final examination schedule which is not subject to change after the advance registration period is completed. Courses are scheduled at the law school as to minimize conflicting examinations (i.e., exams which occur simultaneously); however, it is ultimately the student’s responsibility to ensure that exams do not conflict. Students are urged not to construct a course load which produces unduly burdensome examination requirements. Rutgers Law School does not grant deferments because a student has selected an over-taxing examination schedule.

Note: Please check the Exam Administration Methods in the Exam Packet when it is posted prior to the exam period. In the event of a discrepancy, please follow the Exam Administration Methods. (Faculty occasionally opt to be more lenient about self-scheduling than is initially set forth in this schedule.)
