RUTGERS UNIVERSITY SCHOOL OF LAW, CAMDEN
FALL 2007 EXAMINATION SCHEDULE

PLEASE NOTE: The final examination schedule is generally not subject to change after the preregistration period. *Courses not listed on this schedule will have either self-scheduled takehome examinations, papers in lieu of final examinations, or no examinations.* Students may not select course loads with conflicting examinations (i.e. exams that occur simultaneously). Since the law school does not grant deferments of examination because a student had select an overly taxing examination schedule, students are urged not to take course loads that produce unnecessarily burdensome examination schedules.
