RUTGERS SCHOOL OF LAW - CAMDEN • SPRING 2007 EXAMINATION SCHEDULE

ADVISORY NOTICE: Rutgers law school publishes in advance a final examination schedule which is not subject to change after the advance registration period is completed. Courses are scheduled at the law school so that students may not select course loads with conflicting examinations (i.e., exams which occur simultaneously). In addition, first-year examinations are scheduled to equalize the intervals between tests and, when possible, to provide a break between upperclass examinations. Students are urged not to construct a course load which produces unduly burdensome examination requirements. Rutgers School of Law-Camden does not grant deferments because a student has selected an over-taxing examination schedule.
